ICE SKATING DAY!

SPONSORSHIP REQUEST

Dear PAA Friend,

The harsh conditions of winter deny struggling families adequate food, warm clothes, and safe homes. The Polish American Association (PAA) has been providing comprehensive social, clinical, educational, employment, and naturalization services to Polish immigrants and their families for 96 years. Our commitment to those who need our help, especially the children, endures. We are asking for your support to ensure that our youth programs continue uninterrupted; every child who comes to the PAA needs and deserves a helping hand.

On January 27, 2019, we will host our third Annual Ice Skating Day. This event offers families an active day of fun, and a reminder of how fortunate we are to have our families with us. Please join us at the Skatium in Skokie for a day of hot chocolate, ice skating, games, and fun! Proceeds will go directly to the programs that benefit children including Youth Counseling and Domestic Violence Victim Services.

To help us raise money for these programs, please consider becoming a sponsor. We would love to discuss and tailor a sponsorship package that fits your company's needs. Your contribution will provide you and your company an excellent opportunity to increase your visibility as a charitable sponsor in Chicago's Polish community. Below are suggested sponsorship options.

For more information, email Arletta at arletta.gromek@polish.org, or call us at 773.427.6312.

Thank you, and we look forward to seeing you at the Skatium!

*"I can do things you cannot, you can do things I cannot; together we can do great things."
-Mother Teresa*
