ABOUT US

Polish American Association (PAA), formerly Polish Welfare Association, a tax- exempt 501 (c) (3) not-for-profit corporation, is a community-based organization well known and well-respected within the Chicago community. PAA is the nation's only social service agency providing a comprehensive array of education, training, employment, immigration, and social services to the Polish community. Founded in 1922 by a group of Chicago businessmen to meet the needs of the Polish-speaking community, PAA continues to provide professional bilingual and bicultural services.

The mission of the PAA is to improve the well-being of individuals and to strengthen the community. PAA is a human services organization dedicated to being a resource for changing lives.

The philosophy of PAA reflects our belief that all people, but especially those who are in the process of change and adjustment, be treated with sensitivity and respect. Each client is a unique individual with different concerns and abilities and is treated with dignity and care regardless of race, religion, gender, age, color, disability, or national origin. By building a relationship based on mutual respect and trust, we can assist in the empowerment of people so that they may reach their full potential in all aspects of their lives. We can be most effective in helping people when taking a holistic approach to their needs and concerns. We will make every effort to respond to and meet the changing needs of our community and to advocate on behalf of those who may not be able to speak out for themselves.

The agency program areas address the most pressing needs identified among both the recent Polish émigrés and long-time American residents of Polish heritage. Current programs include:

- Adult Education (ESL; ABE; citizenship classes; vocational training for Certified Nurse Assistants, Physical Rehabilitation Aides, and Office Assistants; Computer Literacy class);
- Learning Center; Resource Rooms; seminars; translation services;
- job placement assistance for income eligible legal residents; case management; career counseling;
